RE: Letter of Endorsement from UFCW Local 1564

Dear Judge Vanzi:

Thank you for recognizing the United Food and Commercial Workers Union of New Mexico. We are strong advocates for working families in New Mexico. Your experience as a labor attorney and your effortless history of working for labor has paved the way for you to continue to serve the people of New Mexico in your position as Judge for the Court of Appeals. We appreciate your vision and commitment to family and our Union brothers and sisters.

We are confident that you will continue to champion the efforts of the UFCW Local 1564. Our Local Union looks to help candidates who pledge to assist working families and who honor our constitutions and justice for all people. I am pleased and honored to announce that UFCW Local 1564 has endorsed you. We look forward to assisting in your campaign in any way possible.

Sincerely,

Janet Samuelman  
Political Director  
Assistant to the President  
UFCW Local 1564
